**MARGARET (MARGE) OWENS  
CORNERSTONE PHYSICAL  
THERAPY LLC**

Imagine that you are injured and in need of a reliable, trustworthy, reputable physical therapist to ensure that you have a safe and healthy recovery. Where would you go?? Luckily, individuals who live in the Woodbury area have one such option: **Cornerstone Physical Therapy**.

**Marge Owens**, licensed Physical therapist and member of the American Physical Therapy Association, is the owner of **Cornerstone Physical Therapy**. The cornerstone of their treatments is to rehabilitate injuries, enhance sports performance, prevent injuries, and educate patients. The team at Cornerstone Physical Therapy provides physical therapy services, physical conditioning, health and wellness education programs, sport specific rehabilitation and massage therapy. The therapists have an extensive knowledge in rehabilitating all orthopedic surgeries and disease processes. If you ask Marge what sets Cornerstone Physical Therapy apart from others she proudly states, “We don’t believe in taking chances with your health, which is why each of our caring and experienced physical therapists has their Master’s Degree. “

Did you know that Connecticut passed “direct access” legislation that eliminates, under certain conditions, the physician referral requirement for patients needing physical therapy services? This means that individuals seeking physical therapy services can access these services without having to wait to receive a referral from a physician. Cornerstone Physical Therapy accepts most insurance policies. If you have any questions regarding the “direct access” legislation or the insurance process, the experts at Cornerstone Physical Therapy can answer your questions.

If that’s not enough to set Cornerstone Physical Therapy apart from other physical therapy services, here’s one more amazing service they offer: You can forget about your gym membership and driving through traffic to the closest gym. Now you can work out in Woodbury at Cornerstone Physical Therapy. For a nominal fee of \$30 a month or \$300 a year, an individual can access Cornerstone Physical Therapy’s equipment. You do not have to make an appointment and you can access the facilities as much as you like. Cornerstone Physical Therapy is conveniently located on 51 Sherman Hill Road, Building A, Suite 201. Cornerstone Physical Therapy is open Monday through Thursday 8 am through 7 pm and Fridays 8 am through 4pm.

# **It happened at the Board Meeting**

**Submitted by Bernie McManus**

The following events were discussed at the September meeting of the Board of Directors:

## **Candidates Debate**

Our October monthly dinner meeting will feature the traditional debate between candidates for First Selectman and Selectmen. This is a special opportunity to hear the candidates address business issues in our small town. Come ready to submit questions to be asked of the candidates, which have a bearing on our businesses. The committee has been working hard to make this a worthwhile evening, and is hoping that everyone who has an interest in how our town governs us will be present.

## **Wine and Cheese Event – SAVE THE DATE!**

Mark Thursday, 5 November, on your calendars for a wine and cheese networking evening! Fellow WBA member New Morning is sponsoring a wine and cheese tasting event at the newly renovated Old Town Hall. Tickets are only \$5.00, which all goes to the Town Hall restoration fund. Local organic wine and cheese makers will provide samples of their wonderful products. It's a great opportunity to contribute to the Town hall Restoration Fund and network with our Woodbury community. Hope to see you there.

## **And, Can the Holidays Be Far Away??**

Wednesday, 16 December, will be our Christmas Party, held again this year at Hummingbird Hill Bed and Breakfast. Details next month. This always is a fun and festive event, with the all-important raffle! Bring a gift to donate to the raffle, which is held to raise funds for the Woodbury Community Services Council.
